RE: 2018 Capital Improvements Element (CIE) Annual Update

Dear Mayor Hutchinson,

ARC has completed the regional review of the 2018 Capital Improvements Element (CIE) Annual Update for the City of Hampton. We are pleased to inform you that the Georgia Department of Community Affairs (DCA) has determined that the updates conform to the Development Impact Fee Compliance Requirements.

Renewal of Qualified Local Government (QLG) status is contingent on local adoption of the annual update, which may take place at any time. Prior to adoption, please review and consider the attached advisory comments from DCA in relation to the update. Once adopted, please send ARC digital copies of the adoption resolution and the final, "as adopted" update documents, so that we may forward them to DCA. Upon receiving notice that the update has been adopted, DCA will renew the City's QLG status.

I commend Hampton's leadership and staff for your commitment to the comprehensive planning process. Please contact Robert Herrig at (470) 378-1636 or rherrig@atlantaregional.org if you have any questions or if we can provide further assistance.

Sincerely,
