

We are happy to announce that Errol Mitchell, council member for the City of Hampton City Council, has successfully completed the required 72 credit hours to receive the “Certificate of Achievement” level of municipal training.

Through partnership between **Georgia Municipal Association** and the **University of Georgia’s Carl Vinson Institute of Government**, city officials can voluntarily take the opportunity to obtain additional training beyond the state-mandated Newly Elected Official Institute.

Council member Mitchell’s next level of certification is “Certificate of Excellence” which requires 120 credit hours.

Congratulations!
