Agenda Item:

Agenda Item 10.1: Consideration and Action to approve RES.2025-29 to estimate the city's 2025 Millage Rate in accordance with HB92 and HB581; to provide for revocation of conflicting Resolutions.

Background/Summary:

The city is required by its Charter to set the millage rate. With the passing of HB92 and HB581 the millage rate is required to be estimated prior to the County Tax Assessor's distribution of the digest. The city's actual millage will be passed by ordinance, this resolution authorizes the city manager to transmit the city's estimated millage to the County's Tax Assessor. Hampton's estimated roll back millage rate for the 2025 Property Tax Digest will be 5.5 mills, the same millage rate it levied on the 2024 Property Tax Digest.
