

CITY OF HAMPTON

STATE OF GEORGIA

RESOLUTION NO. 2024-18

**A RESOLUTION BY THE CITY COUNCIL OF THE CITY OF HAMPTON
DECLARING CERTAIN CITY PROPERTY, LISTED ON EXHIBIT A, TO BE
SURPLUS PROPERTY AND TO PROVIDE FOR ITS PROPER DISPOSAL
EITHER BY AUCTION OR OTHER METHODS PURSUANT TO THE CITY'S
ORDINANCES AND STATE LAWS; AND FOR OTHER PURPOSES.**

WHEREAS, the duly elected governing authority of the City of Hampton, Georgia is the Mayor and Council (hereinafter "City") thereof; and

WHEREAS, the City's purchasing policies (adopted October 2014) provide discussion and guidance on the purchase, sale or surplus of property belonging to the city, not needed for public use or that may have become unsuited for public use; and

WHEREAS, the Public Works Department has provided a list of City surplus items to the City Manager, attached as **Exhibit "A"** to this resolution and incorporated by reference; and

WHEREAS, the City Manager and Public Works Director have determined that it is in the best interest of the City to surplus said item(s) and have requested that said item(s) become surplus and disposed of in the most appropriate manner.

NOW THEREFORE, be it resolved by the Mayor and Council of the City of Hampton that the items listed on **Exhibit A**, attached to this resolution, be declared surplus and hereby gives authority to the City Clerk to cause the items to be disposed of either by auction or in the most appropriate manner in accordance with City and State law.

THIS 11th day of June 2024.

CITY OF HAMPTON, GEORGIA

ANN N. TARPLEY, Mayor

ATTEST:

RASHIDA FAIRLEY, City Clerk

APPROVED AS TO FORM:

PERIN BARNES WIGGINS, City Attorney

Exhibit “A”

(For Surplus)

Memorandum

To: Alex Cohilas, City Manager
From: Justin Conner, Assistant Public Works Director
Date: June 5, 2024
Subject: Surplus of City owned vehicles

Comments:

Mr. Cohilas,

An inventory evaluation has established a need to dispose of one (1) Public Works vehicle. The vehicle has long outlasted its life expectancy, and the cost to maintain versus the value of the vehicle does not coincide. It is a practical decision to dispose of the vehicle, as it will free up resources for more necessary and efficient vehicles in a later budget cycle.
