Memorandum

DATE: February 9, 2023

TO: Alex Cohilas, City Manager

FROM: Al R. Cablay, Director of Public Works 

SUBJECT: Surplus of City-Owned Vehicles and Equipment

City Manager Cohilas:

An inventory evaluation has established a need to dispose of some of Public Work's Departments physical assets. The list of vehicles and equipment in exhibit "A" are recommended for surplus disposal due to varying reasons such as the cost to maintain versus the value. It is my recommendation that we dispose of the vehicles and equipment to allow for more updated equipment and vehicles.
