The County acknowledges that it is solely responsible for the payment of its debt, including any and all costs, interest, and fees associated therewith.

(b) The County's debt shall be paid first from the proceeds of its portion of the TSPLOST. In the event that there are insufficient TSPLOST collections to pay the debt from its portion of the proceeds, the County shall pay any shortfall attributable to the debt from its general fund (the "Debt Service Payments"). The County covenants that, in order to make the Debt Service Payments when due from its general funds to the extent required, it will exercise its power of taxation to the extent necessary to timely pay any amounts required to be paid hereunder and it will make available and use for such payments all taxes levied and collected for that purpose together with funds from any other source. The County further covenants and agrees that in order to make funds available for such purpose, it will, in its general revenue, appropriation, and budgetary measures whereby its tax funds or revenues and the allocation thereof are controlled or provided for, include sums sufficient to timely satisfy such Debt Service Payments that may be required to be made from the general funds, whether or not any other sums are included in such measure, until all payments so required to be made shall have been made in full. The amount of such appropriation shall be due and payable and shall be expended for the purpose of paying any such obligations, and such appropriation shall have the same legal status as if the County had included the amount of the appropriation in its general revenue, appropriation, and budgetary measures, and the fiscal office of the County shall immediately make such Debt Service Payments to the paying agent for the debt if for any reason the payment of such obligations shall not otherwise have been timely made.

(e) The obligation of the County to make Debt Service Payments and to perform and observe the other agreements on its part contained in this Section 11 shall be absolute and unconditional. Until such time as the principal of and interest on the debt shall have been paid in full or provision for the payment thereof shall have been made, the County (a) will not suspend or discontinue any payments provided for herein, (b) will perform and observe all of its other agreements contained in this Agreement, and (c) will not terminate this

Section 9. Completion of Projects.

(a) The County and the Municipalities acknowledge that the costs shown for each Project described in Exhibit A are estimated amounts.

(c) If a Municipal Project has been satisfactorily completed at a cost less than the estimated cost listed for that Project in Exhibit A, the Municipality may apply the remaining unexpended funds to any other Project included for that Municipality in Exhibit A.

(d) The County and the Municipalities agree that each approved TSPLOST Project associated with this Agreement shall be completed or substantially completed within five years after the termination of the TSPLOST collection period. Any TSPLOST proceeds held by a County or Municipality at the end of the five-year period shall, for the purposes of this Agreement, be deemed excess funds and disposed of according to O.C.G.A. § 48-8-269.5(f)(2).
